PARTNERSHIP PROPOSAL

Adyen × Formula 1

Why F1 is the right platform for Adyen, and how to win in it

Prepared by SPORTFIVE for the Chairman of Adyen · November 2026

adyen | SPORTFIVE

ADYEN'S BRIEF

Adyen: creating financial efficiencies in F1

WHAT ADYEN WANTS FROM F1

Payment integration

Adyen's payments live inside the team's or rights holder's business

Global brand

Show how Adyen's payments can power the financial business of F1

Client relationships

Host partners, merchants and senior decision makers

Commercial growth

Win new deals, renew contracts and build pipeline

One global programme

Unite local hosting across an initial 8–10 F1 races

OUR PARTNERSHIP HYPOTHESIS

An F1 partnership can build Adyen's global brand and deepen client relationships through payments storytelling and a global hospitality programme

HOW TO JUDGE F1

The transaction lens

Payment volume through a team's checkout, tickets and merchandise.

Real, and part of the case. On its own, it undersells F1.

THE PLATFORM LENS: WHAT F1 ACTUALLY DELIVERS

Brand	50% of the world's most valuable brands are involved in F1
Audience	#1 sport for all five audiences Adyen sells to
Influence	Max Verstappen: F1's most popular driver, 19M Instagram followers
Hospitality	24 race weekends a year to host clients and prospects
Network	350+ global brands in team partner portfolios
Proof	Adyen's payments live inside a team's business: an enterprise case study

Where Adyen sits inside the partner's business

One platform, end to end

Gateway, risk, authentication, processing, acquiring and reconciliation, online and in person.

1 Power

Adyen runs the partner's payments.

Alpine: team ecommerce store. Max: Verstappen Travel tickets and trailers.

2 Prove

Live data becomes a client case study.

KPIs: checkout completion, payment performance, conversion.

3 Host

Hospitality at the centre.

Alpine: 56 Paddock Club tickets a year. Max: garage tours, track day.

4 Connect

The partner network becomes pipeline.

Alpine: 42 Team partners, Partner Forum. Max: the Verstappen ecosystem.

So what integration first, not a logo deal: Max, Alpine and Ferrari are each judged on how deeply Adyen sits in the commerce.
