SPORTFIVE

STL x ASTON MARTIN F1 BRIEF

28 October 2026

Key account: STL (stl.tech)

Point of contact: Rohit Goyal, Head of Marketing

Industry: Optical fibre and cable for data centres and telecom networks.

Target customers: Data centres (hyperscalers and neoclouds) and telecom operators.

Key markets: US is the priority now. Europe is next, especially France and Germany (strong presence in the UK). India is not a priority now.

F1 objective: Move from tactical supplier to trusted long-term partner with key accounts, build brand awareness, and stand out at industry events.

Budget: Circa US$6M per year.
